

## **Industriflyg is looking for a type rated PC24 FIRST OFFICER**

At Industriflyg Stockholm, we believe every employee is more than a title or job function. Every individual is valuable in their area of expertise and a valuable resource who influences our culture. Individuals are encouraged to share their experiences, thoughts, and insights every day. We believe that in this type of environment personal and professional development grows and establishes.

We are a multicultural company, with colleagues from all over the world. We respect, and have trust for one another, and strive for a culture where service and excellence are always top priorities.

We offer a friendly, prestigeless learning environment, in a flat organization where the door is always open. How we work is just as important as the work itself, we look for the right person in the right place.

Our job starts at the customer's door, and we take care of the entire journey to the customer's final destination. Throughout the flight, the goal is for the customer to enjoy the attention of IFLY's flight crew, who are trained to provide a level of service second to none in the global charter industry.

We are now searching for a PC24 type rated first officer who is flexible, service minded and enjoys working in a diverse environment. If you enjoy traveling the world, facing new challenges every day and always gives that little extra into everything that you do. This is the job for you!

### **The duties mainly consist of:**

Will work on an ON/OFF schedule (8 days on /6 days off). During the ON period, you will be placed on a running flight schedule. Check-in 2 hours before departure. You will assist the captain in decision-making regarding flight planning and flight safety. Take care of the passengers before, during and after the flight. As a 2-person crew you will also be responsible for taking care of the cabin and making sure it is neat and tidy and always prepared for upcoming flights.

Other tasks included but not limited to:

- Make sure to always keep up to date on EASA (European Union Aviation Safety Agency) regulations.
- Keeping passports and visas up to date
- Expenditure report (Receipts)
- Reporting allowances and variable compensation in our salary system
- Air operational ground handling is also included in the duties of the position in accordance with the Company's instructions.

### **Home base:**

Stockholm, Bromma

**The person we are looking for should be:**

- Communicative,
- Have a high integrity,
- Structured,
- Accurate and ability to see things in context from different perspectives.
- Good cooperation skills,
- A positive attitude

**Minimum Requirements:**

- Minimum 1000 hours total flying time.
- PC24 Type rating
- Language level 5
- Medical class 1
- MCC
- Multi engine turbine 500 hours
- Instrument 150 hours
- Time in type 50 hours

**It is advantageous if the candidate has...**

Previous experience within private aviation sector.
